A Mineral Water that Defies Drugs

NATURE'S GREAT BLOOD TONIC

The recent drug exposures in this Country have proven to all that deadly poisons and adulterants are in many Patent Medicines. Never know what you might be taking some of their cures.

Nature has in ample provision for restoring her own and the prevention of disease, in the mineral waters of many localities. Among these are those of Appomattox, Va., especially in the treatment of Dyspepsia, Nervousness, Malaria, Kidney or Bladder Trouble, Chronic Diseases of Dysentery, Rheumatism, Scrofula, which has long been called the Great Blood Tonic and Ear to Females?

Piedmont-Bedford Concentrated Iron & Alum Water

In Nature's Remedy for Nature's Ills. Test when you consider that disease comes from the stagnation of the circulation of the system, this Natural Mineral Water furnishes the system what they need.

The analysis of the water, shown on the side, tells you what **Nature thinks you should take when sick,** and the doctors who read it will agree.

Do you think the ingredients of the water, Iron, Alum and other minerals, which are recognized by medical writers **is most powerful blood tonics.**

An Ideal bottle of Piedmont-Bedford Concentrated Iron and Alum water for all the ailments of 25 gallons of the average spring water, **why buy a barrel of water when you can get a bottle of minerals at the trivial cost of one dollar.**

How this Water acts upon the system in lieu of your own spring water, by its chemical action upon the blood, and many other ailments, and more evidently through its action as a powerful **BLOOD TONIC.**

We have many valuable certificates, which we will be glad to mail if you are interested.

Mr. and Mrs. R. G. Jennings announce the marriage of their young daughter, Mystic Dove, to Mr. L. Lewis, of Appomattox, Wednesday, January 29th, at the home of the bride, Rev. W. Murphy, officiating.

Mr. Robert Scott Payne and Miss Maud Payne were married at the residence of Mr. S. L. Ferguson on Sunday morning in the presence of a company of friends. The young bride is the pretty daughter of our county man, Mr. A. H. Payne, of Pamplin City, and the groom is a prominent druggist of West Virginia, where the happy couple will reside. Mr. Payne, the father of the bride met them here and accompanied them on their way home.

Messrs. T. O. Sandy and J. J. Gilliam, who have charge of the Co-operative Educational Association Southside Virginia, were here recently looking after the cultivation of corn and grass. These gentlemen direct you how to make two stalks grow where hardly one ever grew before. It is simply a educational enterprise and we prize it very highly and count ourselves fortunate in having these scientific gentlemen stationed over our counties. They have instances where where 87 bushels of shelled corn were made to the acre last year. These gentlemen also hold an institute at which lectures are given on the different branches of the farm. They hold one of these institutes at Burkeville, Jan. 25th. We want to see one of these Institutes held at Buckingham Courthouse and one at the Court-house here in February, if possible.

To night at the Methodist parsonage, Mr. Rosert W. Babcock will be married to Miss Helen Fay. The best wishes of a host of friends of the young couple go with them on their life's journey. They will take up their residence immediately on the farm of the groom's father, Mr. H. C. Babcock.

The friends of Mr. Neil Cawthorn will regret to learn that his condition is more serious than at first thought to be. He came home last week from the Staunton hospital where he had been treated and it was thought cured. On two occasions last week he attempted to kill himself; he tried to cut his throat and also shot himself in the head. He was seriously wounded and now requires a close watch over him. He will doubtless be recommitted.

Mr. W. B. Woodson died at his home at Concord last Sunday night in the 39th year of his age. Mr. Woodson came to Concord in the age of 17 years and entered the mercantile business. He has had many difficulties to overcome, but he has been correct and upright in his dealings with his fellowman and his sudden death was a shock to his friends. Friday night he kissed his family goodbye, as if he had some premonition of the disaster which was about to befall them. He slept Saturday and physicians were called in Sunday, but he could not be restored to consciousness and the end came peacefully Sunday night. He is survived by his mother, wife and four children. His remains were interred in his own burying ground, in the presence of a large crowd of friends.

Mr. J. W. F. Carnells, aged 70 years, died at his home near Rowena last last Thursday. He had been ill but a short while, long enough however, for his children to be with him when the end came. The deceased was born and reared in this county, was a faithful soldier of the Confederacy and his long life of usefulness in his community will be missed. He was indeed the strong-minded, conservative counselor of many who admired him for his manly conduct and prominent convictions on all public questions. The church will miss him as well as the community in which he lived. He was a man in the highest sense. He is survived by his wife, five boys and three girls. May they emulate his life, which was rich with fruits gathered for a better world.

Thanks.

I desire in this way to thank our kind neighbors and friends for their services rendered during the recent illness of my husband.

MRS. S. A. CARNEFIX

Red House.

Master Paul Hubbel is now improving. He has been so ill that his life was almost despaired of. Two trained nurses of Lynchburg were in constant attendance and Dr. C. W. Jones, who is considered one of the most successful physicians in the county was with him.

Mr. Will Tharnton is now about well. He was sto th r patient for whom we felt a great deal of anxiety. He too had typhoid fever.

Mrs. Ala Chambers and family have been enjoying grippe.

There are several additions being made to the village. Mr. E. C. Marshall has built a blacksmith shop and Mr. C. P. Marshall is having the lumber sawed to build a dwelling house. We wonder whom he will invite to keep house for him—Lucinda, I bet.

We will soon have a new rural delivery daily mail from here to Brookneal.

Mrs. Cary, of Richmond is visiting Mrs. L. H. Hamersley.

Lucinda has had several "cussing spells" lately. We don't know her trouble.

Make this Up at Your Home

What will appear very interesting to many people here is the article taken from a New York daily paper, giving a simple prescription, as formulated by a noted authority, who claims that he has found a positive remedy to cure almost any case of backache or kidney or bladder derangement, in the following simple prescription, if taken before the stage of Bright's disease.

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syomp Sarsaparilla, three ounces. Shake well in a bottle and take in teaspoonful doses after each meal and at bedtime.

A well known druggist here at home, when asked regarding this prescription, stated that the ingredients are harmless and can be obtained at a small cost from any prescription pharmacy, or the mixture would be put up if asked to do so. He further stated that while this prescription is often prescribed in rheumatic affections with splendid results, he could see no reason why it would not be a splendid remedy for kidney and urinary troubles and backache, as it has a peculiar action upon the kidney structure, cleansing these most important organs and helping them to sift and filter from the blood the foul acids and waste matter which cause sickness and suffering. Those of our readers who suffer can make no mistake in giving it a trial.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
